### Andover CC – Disciplinary Policy

**Please ensure that you have read and fully understood the information provided regarding the Disciplinary Policy. If you have any questions please contact the Chairman, Chair of Selectors or the Welfare Officer.**

Any representative of Andover Cricket Club, player, official, member or supporter must be aware that any behaviour or action that brings the Club into disrepute are subject to disciplinary action.

The offending person will be asked to appear before the disciplinary committee, which will be formed by at least three executive committee members, within 14 days of the reported offence, to discuss the matter. They will advise the person of the action they have agreed. The Southern Premier Cricket League tariff of warnings and suspensions will be followed (please see the table of warnings on the following page).

The offending person has the right to appeal before the whole Executive Committee if they do not agree with the action taken by the Disciplinary Committee. This meeting will take place within 14 days of the initial meeting. The Executive Committee's decision will be final.

## Standard tariff of warnings and suspensions

Ref. No.	Offence	First Offence	Second Offence	Third Offence
1	Showing dissent by disputing an umpire's decision by word, and/or gesture.	1 match suspension	2 match suspension	4 match suspension
2	Directing crude or abusive language at an umpire or opponent	2 match suspension	4 match suspension	6 match suspension

5	Threat of assault or physical interference	4 match suspension	8 match suspension	18 match suspension
6	Physical assault	18 match suspension	Life suspension	

The number of offences are intended to be over a playing season, however items Ref. Nos. 4, 5, & 6 may be considered as repetitive over a longer period. The Disciplinary Committee would notify a player and club of the period at the time of any ban.

All offences shall be reported in writing, by the umpires on the Standard Report Form. The umpires shall, before leaving the ground, notify the player and a representative of both clubs their intention to submit a report. A copy of the report should be sent to the Secretary of the League as soon as is practical and no later than five days after the event. The Umpires should keep a copy.

If a club accept the Umpires' Report, and take action themselves against the offending player in line with the above, notifying the League Secretary of their actions, any ban imposed and the starting date of the ban, the Disciplinary Committee will take this into account and if satisfied take no further action other than to record the facts and ensure the ban was implemented.
